EDUCATION

London School of Economics and Political Science

London, UK | Sep 2025 – Jun 2028

BSc Finance — Predicted First Class Honours (Year 1 average: 72%)

- Relevant modules: Corporate Finance, Financial Accounting, Principles of Finance, Quantitative Methods for Finance, Microeconomic Principles.
- LSE Undergraduate Support Scheme Scholarship, awarded to the top 10% of the incoming cohort.

Kingsbridge Grammar School

Manchester, UK | Sep 2018 – Jun 2025

A-Levels: Mathematics (A), Economics (A*), Physics (A) | GCSEs: 9 subjects, grades 9–7*

PROFESSIONAL EXPERIENCE

Calderwood Partners — Independent M&A Advisory

London, UK | Jun – Aug 2026

Summer Analyst Intern, Mergers & Acquisitions

- Built a trading comparables analysis of 12 UK business services companies, screening on EV/EBITDA and revenue growth, which became the benchmarking section of a live sell-side pitch.
- Drafted two one-page teasers for a £40m carve-out, condensing a 30-page information pack into the buyer-facing summary used in the first outreach round.
- Researched 45 potential acquirers across three sectors and built the target map the deal team used to prioritise outreach, shortlisting 12 for direct contact.
- Rebuilt the team's DCF template in Excel with sensitivity tables on WACC and terminal growth, cutting model set-up time on new mandates by around two hours.

Harlow & Vance Corporate Finance

Manchester, UK | Apr 2026

Spring Insight Intern, Debt Advisory (two weeks)

- Completed a valuation case study on a mid-market manufacturer and presented a buy-side recommendation to three directors, defending the assumptions in a 15-minute Q&A.
- Shadowed four client refinancing calls and summarised the terms discussed into notes circulated to the wider team the same day.

Meridian Wealth Advisers

Manchester, UK | Jul – Aug 2025

Operations Intern

- Reconciled 300+ client portfolio statements against custodian records, identifying 14 discrepancies escalated to the compliance team for correction.
- Automated a weekly performance report in Excel using lookup and pivot functions, reducing preparation time from three hours to twenty minutes.

ACHIEVEMENTS

LSE Investment Society — Equity Research Analyst

London, UK | Oct 2025 – Present

- Publish one equity research note per term for a 200-member society; the November 2025 note on a FTSE 250 packaging company was selected as the society's stock pick of the term.

National Student Investment Competition — Finalist

London, UK | Feb 2026

- Placed 4th of 180 teams, pitching a long position to a panel of three industry judges after a two-week research round.

ADDITIONAL SKILLS

Technical: Excel (advanced — DCF, trading comparables, pivot tables, sensitivity analysis), PowerPoint (advanced), Python (basic — pandas), Bloomberg Terminal (basic).

Certifications: Bloomberg Market Concepts (Mar 2026); CFA Institute Investment Foundations (Jan 2026).

Languages: English (native), Spanish (intermediate), Mandarin (basic).

EXTRA-CURRICULAR & INTERESTS

- Volunteer numeracy tutor, Tower Hamlets Community Trust — two hours weekly for 18 months, supporting six students through GCSE Mathematics; all six passed at grade 5 or above.
- LSE Men's Football 2nd XI — three seasons, elected vice-captain for 2026/27; organise fixtures and travel for a squad of twenty.
- Duke of Edinburgh Gold Award (2024) — led a team of five across a four-day unsupported expedition in the Peak District.
